CHAMBER MEETING TO PROVIDE INFORMATION ON THE ENBRIDGE CONSTRUCTION PLAN

The *Morden Chamber of Commerce* and *Enbridge Pipelines* invite all Morden Businesses to join us for lunch at the **Friendship Centre** on **Tuesday, April 15th at 12:00 noon** to hear a presentation on the **Construction Plan for the Southern Lights and Albert Clipper pipeline projects scheduled for the summers of 2008 and 2009.**

Michele Perret from **Enbridge** will attend to discuss the project timelines, number of workers involved, how the project will proceed through the area, and what impact they will have on Morden. Businesses and residents will need to be aware of the needs of all these workers and their equipment so that we can be prepared to efficiently meet the challenge.

The **cost for lunch is \$15.00, payable at the door.** Call **822-5630** or email **chamber@mordenmb.com** to register.

WELCOME NEW CHAMBER EXECUTIVE

One of the *Morden and District Chamber of Commerce's* most successful Annual General Meetings was held last week and we are pleased to welcome our new **Executive Members: Jeff McAulay of RBC Royal Bank, Budget & Finance; Ross Ariss of G.G. Financial, Business Development; Jeffrey Klassen of Credential Securities, Membership and Connor Holenski of Kelty Marketing, Program & Events.**

They join returning Executive Members **Carol Williams, President; Kent Winning, Vice President; David Weiss, Past President and Community Development; Irma Maier, Immigration; Kevin Dodge, Marketing & Communication; and Sarah Dyck, Program & Events.**

It is interesting to note that over the past 50 plus years the Morden & District Chamber of Commerce has had only two second generation Executive Members, the first being in 1974, **Catherine Evenson**, daughter of **Wally Vick** and now **Ross Ariss**, son of **Paul Ariss** who was President in 1980.

The **Workers Compensation Board** is seeking comments from all employers, including those who do not currently have WCB coverage, regarding the addition of industries to the program. A consultation paper is available at **www.wcb.mb.ca.**

CORN & APPLE FESTIVAL UPDATE

Corn and Apple Festival Committee Chairman **Ken Wiebe** is a happy person today. All Committees now have Chairpersons and he welcomes **Florence and Hank Hildebrand**, Free Cider; **Eldon Gerbrandt**, Vendor Relations; **Alex Kindsvater**, Queen Pageant and **Dr. Alain Kolt**, Float Driver. Thank you to all our volunteers.

Sponsorship letters with complete level breakdown have gone out to local businesses. This is your chance to get behind Morden's largest, most successful event. Advertising and banner wall space is limited so we encourage you to decide on your level of support as soon as possible.

As a note of interest, the banner wall will be moved from the east side of the Art Gallery to the east side of **Olympic Source for Sports**, right next to the **Free Corn** area. Volunteers have designed a system to hang the banners which will be easier to install and will cause no damage to the building. It should be noted that promotional visibility will be much greater as there will be no trees in the way to block your name!
