Purolator is Canada's leading integrated freight and parcel solutions provider, celebrating over 50 years of delivering Canada with a network like any other. Purolator continues to expand their reach to more people, more businesses, and more places across our vast country. As Canada's largest courier company, Purolator delivers innovative products and superior services on which you can depend.

With more couriers, more vehicles, and more planes in more places than any other domestic courier, Purolator provides solutions that are right for Canadians—whenever and wherever they need to ship. Purolator has developed a tiered courier pricing structure for MCC members that offers the most opportunity for savings ranging from 25% - 45% off their rates depending on your annual volume.
